The Office of the Vice Chancellor for Students coordinates educational services and programs within the Office of Student Affairs and acts as a resource on the development of UH Mānoa policies related to student affairs. The Office of the Vice Chancellor for Students also advises and assists students regarding discrimination, academic disputes and grievances, conduct code issues, and other related matters.
UH Mānoa has approximately 3,800 bed spaces available on campus. Facilities range from residence halls with shared doubles or suites with a limited number of singles, to apartments with shared one-bedroom and two-bedroom units. A limited number of modified and accessible units are also available. Students with families live in the apartment area.

Living on campus provides students with a residential learning experience that is supported and enhanced by live-in housing staff. Residence Directors and Resident Assistants actively serve as resources, help to develop positive communities, and organize activities and programs. Residents are able to make stronger connections with other students and their academic pursuits while experiencing a greater engagement in campus life.

Residents living in the traditional residence halls are required to select and purchase a dining plan from a variety of dining plans offered. A dining plan is optional for apartment residents. Residents dine at the Hale Aloha or Gateway House cafeterias. Detailed dining plan information is available at our Student Housing Services website.

Applications received by the application deadline are prioritized by predetermined categories. Placement is offered only to those applicants who have been accepted into classified programs of study and have confirmed their intent to attend the university. Applications received after the application deadline are assigned on a first come, first serve basis. Neither on-time nor late applications are guaranteed an assignment offer.

The UH Mānoa Off-Campus Housing Referral Program (OCH) is a referral service provided and maintained by Student Housing Services. Students, faculty, and staff may access online referrals for off-campus rentals. The program also provides a Guide to Living Off-Campus, which includes information on landlord-tenant laws, utilities, and average costs of Honolulu housing.

You must be a registered student or faculty/staff member at UH Mānoa to access the listing pages. Students, faculty, and staff are required to use their UH Mānoa username to gain access to the listing database. For incoming or affiliated students, faculty, and staff, the creation of a temporary account is possible. Temporary accounts are issued for a maximum of 30 days.

A listing on the website does not indicate approval or endorsement as UH Mānoa does not investigate, endorse or guarantee the accuracy of any referrals listed on the Off-Campus Housing website.

The mission of Commuter Services (formerly known as Parking Services) is to maximize access to the UH Mānoa campus through a commitment to innovation, environmental sustainability, resource management, and quality customer service.

Students, faculty, and staff employ various modes of transportation to campus. Alternative options to driving alone include Honolulu’s bus system (TheBus), biking, walking, and carpooling.

Currently, full-time students (after paying their mandatory $30/semester Transportation Fee) qualify for a U-Pass, which allows them to ride TheBus at no cost 24/7 during the fall and spring semesters. The U-Pass sticker is affixed to the student’s ID and issued at the Ticket, Information, and ID Office in the Campus Center. UH Mānoa is served by bus routes 4, 6, 13, and 18, plus express routes A, 80A, 85, 85A, 90, and 94. Real-time bus schedules are available at www.thebus.org/Route/Routes.asp. For more information, call (808) 848-5555 or go to www.thebus.org.

The University’s Rainbow Shuttle system consists of multiple routes through campus and the neighboring vicinity, day and evening. This free service includes regular runs to and from residence halls, as well as adjacent neighborhoods, and off-campus parking locations. For shuttle schedules and route maps, get the app “UHM Shuttle” or go to www.uhmshuttle.com.

Bike parking on campus is also free—cyclists are reminded to lock their bike to one of the many authorized racks to avoid citation.

UH Mānoa’s car sharing program, a partnership with Enterprise Rent-A-Car, provides those commuting to or living on campus without a vehicle the option of a short-term car rental. Shared cars are conveniently parked at various locations around
campus. Learn more about this low-cost, environmentally-friendly membership program at manoahawaii.edu/commuter/carbonate.html.

If you plan to drive to Mānoa, a limited number of parking permits are available to UH Mānoa affiliates. Read more about the permit application process on our website. Apply for regular day permits, as well as carpool (students only), evening, and medical permits. Visitors and students may also pay a daily fee to park, on a space-available basis, in designated locations, such as the Lower Campus Parking Structure. Motorcycles and mopeds must also have a paid permit to park in designated lots on campus.

Parking regulations are enforced 24 hours daily throughout the year. Vehicles in violation are subject to citation and/or towing. Please familiarize yourself with UH Mānoa parking regulations on our website; plus the campus policy governing bikes, skateboards, and other coasting devices at manoa.hawaii.edu/movewithaloha.

Commuter Services Office is open Monday through Friday, 7:45 a.m. to 4:30 p.m.; closed on holidays.

The challenges of choosing the right career, achieving or maintaining one’s independence, relating successfully to others, and leading a happy and successful life converge during a student’s college years. College life adds the concerns of exams, term papers, quizzes, and class reports. Even students who are prepared to do their best in college may experience problems. The Counseling and Student Development Center (CSDC) provides the following services to assist students.

Career Counseling
- Students should choose their majors before they progress very far in their academic programs. Most students expect their academic studies to lead to specific careers upon graduation. Career counseling explores strengths and limitations, interests and values, personality and skills, and applies this understand-
Personal Counseling

Some people occasionally, even regularly, feel worried, unhappy, and depressed. Lack of confidence, fear, low self-esteem, inability to get along with others, loneliness, not being able to cope with people and situations, and similar problems can be discussed with one of CSDC’s professional counselors. All matters discussed in counseling are confidential and will not affect academic standing.

Psychiatric Consultation

People who find themselves seriously depressed, unable to control their behavior, or doing things they don’t understand may want and need psychiatric consultations. A talk with a counselor is recommended to determine whether psychiatric consultation is required.

Testing

Testing is frequently used as part of counseling to help students understand themselves better and plan their careers. Counselors will discuss which tests to take and interpret them after they are scored. In addition, the Testing Office now administers the computer-based GRE, TOEFL, and PRAXIS exams. An appointment to schedule an exam can be made over the phone with a major credit card by calling (808) 956-3454, or with a check at the Testing Office, Queen Lili’uokalani Center for Student Services Room 307. Information about registration for paper-based admissions or certification exams, including SAT, ACT, LSAT, MCAT, and PRAXIS also is available at this office.

Outreach

Workshops and seminars to promote personal development and academic success are offered throughout the year. Stress management, assertiveness, improving self-esteem, career and life planning, and coping with difficult people are just a few of the topics that are available. Sessions to address specific needs can be developed and conducted at the request of faculty or a group of students.

Consultation

CSDC provides consultation services for individual students, faculty, and groups that may need help in solving organizational problems, overcoming interpersonal difficulties, and planning staff development programs.
