Tuition and fees are charged according to the number of credit hours carried by the student. For regular, Outreach College Continuing Education, and Summer Session tuition schedules, refer to the following page. Auditors (those enrolled in a course for no credit) must pay the same tuition and fees as students enrolled for credit. For tuition purposes only, a full-time student is any student enrolled for 12 or more credit hours.

The regular tuition to be charged is determined by the degree status of the student and not by the level of the courses taken. For example, students who have earned a baccalaureate degree will be charged graduate tuition, except for students admitted for a second baccalaureate degree. Students admitted to the law or medical school will be charged the stated tuition for that school.

Medical, law, graduate nursing, or graduate business students concurrently enrolled in the Graduate Division must pay the stated tuition for the medical school, law school, nursing school, or business college.

All tuition and fee charges at the UH campuses are subject to change in accordance with requirements of state law and/or action by the Board of Regents or the UH administration.

Tuition Deposit
All new, transfer, and returning classified undergraduate students are required to make a tuition deposit of $200. All new medical and law students are required to make a partial advance tuition payment of $250. Scholarship/fellowship recipients are not exempt from this deposit, if applicable. This tuition deposit is applied at registration time toward tuition for that semester. The payment is nonrefundable and nontransferable if the student does not register (except when the student is denied further registration by UH Mānoa). Continuing classified students are not required to make the tuition deposit.

Additional Fees and Expenses
Caps and Gowns
Caps, gowns, and master’s and doctoral hoods are required for participation in commencement ceremonies. Caps and gowns are available for purchase from the UH Mānoa Bookstore.

Outreach College Fees
Students registered in courses offered by Outreach College pay additional tuition and fees. For information, see their website at www.outreach.hawaii.edu or contact Outreach College at ochelp@hawaii.edu.

Credit by Examination
A $15-per-course fee is assessed at the time of application.

Diplomas and Certificates
A charge of $30, payable at time of application, is assessed for each bachelor’s degree, advanced degree, and professional certification.

Late Registration Fee
A $30 late registration fee is assessed when a student registers during the late registration period.

Replacement of Laboratory Equipment
For broken or lost items, the cost of replacement is assessed.

Returned Checks
Payments tendered to UH Mānoa or any department therein, and returned from the maker’s bank for any reason...

(e.g., insufficient funds, closed bank account, incorrect bank information) will result in a $25 charge and a hold will be placed on your account. DO NOT place a STOP PAYMENT on checks. A stop payment on a check is considered a returned check and is not acknowledged as an official drop from courses or withdrawal from UH Mānoa.

**Special Examination**

Various fees are assessed. Refer to Testing Office at www.manoa.hawaii.edu/counseling/testing_office/.

**Student Transcripts**

Regular processing is $5 per copy, and rush processing is $15 per copy.

**Payment of Tuition and Fees**

Full payment for tuition and fees must be made or be enrolled in the MyUH installment payment plan by the end of the 10th calendar day of the semester. You are responsible for payment of tuition and fees incurred because of registration.

UH Mānoa offers a 4 month, 3 month, or 2 month installment payment plan for the fall and spring terms only. The non-refundable enrollment fee is $30 per student per semester per plan to participate. Detailed information is available at myuh.hawaii.edu/myuh/IPP_FINAL.pdf.

All checks or money orders should be made payable to University of Hawai‘i for the exact amount due. The student’s UH number should be written on the memo section (bottom left) of the check. Students who have their tuition being paid by a third party sponsoring agency (e.g., World Health Organization, East-West Center, Alu Like, Vocational Rehabilitation, U.S. Armed Forces Branch, State of Hawai‘i Department of Education, etc.), must submit their letters of financial guarantee, purchase orders, or authorization letters from their sponsor to the UH Mānoa Cashier’s Office by the payment deadline. University grants and scholarships will be posted to the student’s account.

**Financial Obligations**

Students who have not met their financial obligations (traffic fines, library fines, locker fees, lab breakage charges, transcript fees, loans, rental contracts, etc.) to the satisfaction of UH Mānoa may be denied a variety of enrollment services including registration, withdrawal, and transcripts. Notification of the financial obligation may appear on transcripts.

Enrollment at UH Mānoa signifies consent to, and acceptance of all policies and procedures governing enrollment, including financial liability. If student’s third party sponsoring agency does not make payment for any reason after being billed by the university, the student will be responsible for paying any unpaid balances. Students who fail to remit payment when due, agree to pay UH Mānoa all reasonable costs for collection, to include collection agency, attorney’s, and court fees.

Copies of the delinquent financial obligations policy and procedures are available for inspection at the Office of the Vice Chancellor for Students and the UH Mānoa Cashier’s Office.

**Refunds of Tuition and Fees**

**Regular Tuition and Fees**

Tuition and special course fees are refunded as indicated below:

- A 100 percent refund of tuition for complete withdrawal or decrease in credits made on or before the 10th calendar day of the semester, unless otherwise stipulated by federal regulations.
- A 50 percent refund of tuition for complete withdrawal or decrease in credits made between the 11th to the 21st calendar days of the semester, unless otherwise stipulated by federal regulations.
- No refunds of tuition for complete withdrawal or decrease in credits from the 22nd calendar day of the semester (start of the 4th week of instruction), unless otherwise stipulated by federal regulations.

Student activity fees are only refundable before the first day of instruction, or if you completely withdraw from all UH campuses during the 100 percent period.

Penalties apply even if payment for tuition and fees has not been made at the time registration status is changed.

After students have secured all required approvals, the withdrawal or change in registration must be processed according to instructions in the online Registration Guide at www.hawaii.edu/myuh/ipp/manoa/. In no case shall a refund be made when a student fails to follow these instructions within two weeks of the date of change in registration (e.g., withdrawal, change in status, or change in tuition rate).

Refunds are made by the UH Mānoa Cashier’s Office after the procedures for complete withdrawal from UH Mānoa have been followed. See the “Undergraduate Education” and “Graduate Education” sections of this Catalog.

Federal regulations mandate a refund policy for all students who are receiving federal financial aid and who process a complete withdrawal before 60% of the semester has elapsed. A detailed refund policy is available in the Registration Guide.

If you paid by credit card within the past 90 days, your credit card may be credited the refund amount in the order of credit card used. For payments older than 90 days, your refund will be deposited directly into your designated eRefund account or mailed to your current mailing address on file at UH Mānoa. If you paid by cash or check, your refund will be deposited directly into your designated eRefund account or mailed to your current address on file at UH Mānoa. Students should verify and update their mailing address and permanent address, as all refund checks will be mailed to their address in the following priority: 1) Mailing Address, and 2) Permanent Address (if mailing address is null or expired). Mailing address corrections can be made online through MyUH, and permanent address corrections made by mailing the Student Data Change Form at manoa.hawaii.edu/records/pdf/data_change.pdf or completing it in-person at the Office of the Registrar, Queen Lili‘uokalani Center for Student Services, Room 010 (ground floor).

UH Mānoa offers students the option to have refunds directly deposited into a bank account. View information about Refunds at www.hawaii.edu/news/docs/eRefunds.pdf.

**Outreach College Extension and Summer Sessions Tuition and Fees**

See the Outreach College website at www.outreach.hawaii.edu for refund information.

**Residency for Tuition Purposes**

Students who do not qualify on the first day of instruction as bona fide residents of the state of Hawai‘i for tuition
purposes pay the nonresident tuition. An official determination of residency status is made at the time of application. Applicants may be required to provide documentation to verify residency status. Once classified as a nonresident, students continue to be so classified during their enrollment at UH Mānoa until they present satisfactory evidence to the residency officer that proves residency. For definition of Hawai'i residency for tuition purposes, statutory exemptions, etc., refer to the “Campus Policies” section.

**WICHE Programs**

UH Mānoa participates in three exchange programs of the Western Interstate Commission for Higher Education (WICHE).

Through the Western Undergraduate Exchange (WUE) program, a limited number of students from participating states who are not residents of Hawai'i may enroll at UH Mānoa in designated programs at a 150% resident tuition (plus other fees that are paid by all students). WUE students do not pay the higher charge for nonresident tuition. (Hawai'i residents may enroll under the same terms in designated institutions and programs in other participating states.) Hawai'i residents may obtain information about WUE programs in other states from the WICHE Certifying Officer for Hawai'i (see the location above); from participating institutions; or at www.wiche.edu/wue.

The John A. Burns School of Medicine participates in the WICHE-administered Professional Student Exchange Program (PSEP). PSEP allows legal residents of the states of Alaska, Arizona, Colorado, Idaho, Montana, Nevada, New Mexico, North Dakota, Utah, Washington, and Wyoming (states without a public professional school in a health care field to enjoy Hawai'i-resident status for admission and tuition purposes at UH Mānoa) to enroll under the same terms in designated schools and programs at UH Mānoa under the WICHE Program. Students who are pursuing graduate degrees in Asian and Comparative Philosophy, Asian Theatre and Dance, Communication and Information Sciences, East Asian Languages and Literatures, Natural Resources and Environmental Management, Oceanography, Second Language Studies, Tropical Entomology, Tropical Medicine, Tropical Plant and Soil Sciences, and Urban and Regional Planning are eligible for resident tuition under the WICHE Program. Students who receive certification from their home states receive preferential admission consideration and, if accepted, are charged Hawai'i-resident tuition rates. To be certified for PSEP, students must apply to the WICHE certifying officer in their home state before October 15 the year prior to admission. State eligibility requirements vary, and the number of students funded by each state depends upon appropriations by the state's legislature. For addresses of state certifying officers, visit www.wiche.edu/psep.

WICHE Programs in the WICHE Regional Graduate Program. Under this arrangement, legal residents of the other WICHE member states (AK, AZ, CA, CO, ID, MT, ND, NV, NM, OR, SD, UT, WA, WY) will be charged resident tuition if they are exceptional candidates for admission in specific graduate programs. Approved fields are Asian and Comparative Philosophy, Asian Theatre and Dance (MA and MFA, and PhD), Communications and Information Sciences (PhD), East Asian Languages and Literatures (MA and PhD), Natural Resources and Environmental Management (MS and PhD), Oceanography (MS and PhD), Pacific Island Studies (MA), Second Language Studies (PhD), Tropical Entomology (MS and PhD), Tropical Medicine in the biomedical sciences (MS and PhD), Tropical Plant and Soil Sciences (MS and PhD), and Urban and Regional Planning (MA and PhD). For detailed information, contact the appropriate graduate chair or see the respective field of study listings at the Graduate Division Office or visit wrgp.wiche.edu/.

The program is funded by the federal government with matching funds from UH Mānoa. Employment may be on or off campus with nonprofit organizations. FWS earnings are not calculated as income when applying for financial aid.

Generally, students are provided the work-study program as a part of their financial aid package. The Center for Career Development and Student Employment coordinates the work-study program. Job opportunities are available in many fields and require skills ranging from entry-level to highly technical. Community service jobs are also available, including tutoring positions in the America Reads and Counts Challenge. For further information, see the “Student Life” section of this Catalog.

Standards of Satisfactory Academic Progress for Recipients of Financial Aid
Satisfactory Academic Progress. To be eligible for federal, state, and specific institutional aid programs, you must meet all three Satisfactory Academic Progress (SAP) standards regardless of whether you have received financial aid previously. For more information, visit www.hawaii.edu/fas/policies/sap.php.

GPA Standard. Maintain minimum GPA standards. Undergraduate students must maintain a minimum cumulative grade point average of 2.0 or as required by the student’s specific program of study. Graduate students must maintain a minimum cumulative grade point average of 3.0 or as required by the student’s specific program of study. The cumulative grade point average includes all courses attempted by degree level at UH Mānoa. Students on academic suspension are not eligible for financial aid.

Pass Rate Standard. Students must pass at least 67% of all credit hours attempted during the academic year at UH Mānoa. Measurement of each student’s pass rate will occur at the completion of each spring semester. Grades of W, F, I, NG and repeated courses are not considered to be adequate grades for completion.

Maximum Credit Hour Standard. Undergraduate students must complete their undergraduate degree with less than 180 attempted credit hours (e.g., 150% above the 120 minimum credits for a baccalaureate degree). Master’s program students must complete their degree within 4-10 semesters based on the minimum number of credits required. Doctoral students must complete their degree within 14 semesters (includes master’s degree credits). All courses you register for or transfer to UH Mānoa are included in the maximum credit hour standard.

Enrollment Status for Recipients of Financial Aid
Courses that do not count toward a student’s degree cannot be used to determine enrollment status for financial aid purposes. Students may receive aid to repeat a previously passed course one additional time.

Graduate Assistantships
UH Mānoa offers assistantships to graduates of accredited institutions of higher learning who have satisfactory scholastic records, an adequate undergraduate background in the major program, and evidence of a high level of English proficiency. Graduate assistants, chosen on a competitive basis, serve as part-time teaching or research assistants. A graduate assistant must be enrolled in a classified master’s or doctoral graduate program (see Master’s Degree programs and Doctor of Philosophy programs). Graduate certificate, PBU (post-baccalaureate unclassified), law, medicine, Shidler College of Business (master’s only) students are not eligible for graduate assistantships. All graduate assistants must be registered for and must complete at least 6 credit hours of degree-related course work each semester, while holding the assistantship. Moreover, they must maintain at least a 3.0 GPA to continue in the position. The maximum course load typically is 9 credit hours. The period of service for each year for teaching assistants is typically from two weeks prior to the beginning of instruction through spring commencement; research assistants normally serve for 11 months. Graduate assistants are awarded tuition exemptions, but they are not exempt from the general fees, special course fees listed in the Catalog, and the Graduate Student Organization fee. Applications should be sent to the chair of the appropriate department before February 1. Each application must be accompanied by three letters of recommendation from former professors or employers.

Information on assistantships and application forms may be requested from the chair of the appropriate graduate program.

Graduate Fellowships and Scholarships
Applicants are advised that UH Mānoa has joined the Council of Graduate Schools in approving the following resolution:
Acceptance of an offer of financial aid (such as a graduate scholarship, fellowship, traineeship, or assistantship) for the next academic year by an actual or prospective graduate student completes an agreement that both student and graduate school expect to honor. In those instances in which the student accepts the offer before April 15 and subsequently desires to withdraw, the student may submit in writing a resignation of the appointment at any time through April 15. However, an acceptance given or left in force after April 15 commits the student not to accept another offer without first obtaining a written release from the institution to which a commitment has been made. Similarly, an offer by an institution after April 15 is conditional on presentation by the student of the written release from any previously accepted offer.

The Graduate Division has available general information on fellowship competitions open to American graduate students.
and administered by outside foundations or agencies. For application purposes, it is important to distinguish between (1) those awards made directly by the sponsoring agency to individual students and administered by an institution, and (2) those awards made by the sponsoring agency to an institution to be awarded, in turn, to students for study at the specific institution.

Awards in the first category are generally made by national organizations and allow students to choose their institution of affiliation. Applications are submitted by students to the sponsor, usually in early fall preceding the year graduate study is to begin. The National Science Foundation Graduate Fellowship program is an example.

Awards in the second category, which vary in source from federal to local, include a large number of programs. At UH Mānoa, nominations for these awards are generally made by the graduate programs that are eligible. In some cases (e.g., Fulbright awards), the student may apply through the Graduate Division. Students are urged to exercise their initiative to explore the various possibilities. Initial inquiries should be directed to the chair of the program.

Information on fellowships is available by checking the following website: manoa.hawaii.edu/graduate/content/fellowships-scholarships.
