

How to Use This Catalog

The 2015-2016 *University of Hawai'i at Mānoa (UH Mānoa) Catalog* is a comprehensive guide to UH Mānoa programs, course offerings, services, tuition, financial aid, faculty, facilities, academic policies, and other information of general importance to UH Mānoa students. The information in this *Catalog* is not necessarily complete; names and contact numbers for other publications and offices, which may offer additional information about specific areas of interest, have been included.

The *Catalog* is divided into five major sections:

- Information about the University and the campus, student services, academic policies, tuition and financial aid;
- Information about the individual colleges and schools and their academic programs;
- Descriptions of courses offered;
- Lists of administrators, faculty, and staff with their academic backgrounds; and
- Campus policies and information, glossary, and index.

If you are a prospective freshman or transfer undergraduate student, consult the sections on undergraduate education, Undergraduate General Education Requirements, tuition, financial aid, and student life. In addition, you should read the program section of the department, college or school that interests you. Before selecting classes, read the course descriptions for prerequisites, credit hours, and other relevant information. For additional information on specific programs of study, consult the department chair, program director, or major advisor.

If you are a prospective graduate student, consult the graduate education section and the graduate chair of the program in which you are interested for information regarding admission requirements, degree options, registration, and related procedures.

If you are a continuing student, keep this *Catalog* handy as a source of general information. Familiarity with its contents can smooth your progress toward your degree.

Although every effort is made to keep the *Catalog* correct and current, there will be changes in courses offered and program requirements. Check the *Registration Guide* at www.hawaii.edu/myuh/manoa and your department, college or school for the most current information.
