

# DESIGN the Mānoa Catalog Cover!

## Students: YOU Can Win \$600!

### OBJECTIVE

- Create a visually exciting catalog cover for the annual general catalog for University of Hawai‘i at Mānoa.
- Develop a concept design for the cover and all section pages (32 total) throughout publication.
- Prepare “working” drafts of the design for approval by the Catalog Committee.
- Prepare final camera-ready print and digital file for printing to include the file (*original and a pdf file*), fonts (*provide all fonts used. If postscript, include both printer and screen fonts*), and images (*if photos are used, original prints or digital images should be provided*). *Prints should be scanned using a high-resolution scanner. Digital files may need to be color corrected. Final size of photos used must be 300 dpi resolution saved as tiff or eps format.*
- Preferred software: InDesign or Photoshop or Illustrator.
- Output onto a linotronic 1270 dpi, 133-150 line screen
- Payment of **\$600** upon completion of the project for final design.
- Submission will be reviewed by the Mānoa Catalog Committee. We will notify a finalist to submit final camera-ready copy and digital files.
- All final submissions will become the property of the Mānoa Catalog Office.
