Services and programs are provided on the campus to help students make the transition to UH Mānoa, to secure basic financial assistance and housing, to obtain the personal assistance needed to achieve academic goals, and to plan for productive careers.

Co-curricular programs offer students opportunities for leadership development and cultural, social, and recreational experiences. These programs provide excellent opportunities to gain leadership skills, to serve the community, and to obtain insights into community organization and development. Students are urged to participate in campus programs as involvement enhances the learning experience and leads to a more enjoyable and successful student life on campus.

A limited number of modified and accessible units are also available. Students with families live in the apartment area.

Living on campus provides students with a residential learning experience that is supported and enhanced by live-in housing staff. Residence Directors and Resident Assistants actively serve as resources, help to develop positive communities, and organize activities and programs. Residents are able to make stronger connections with other students and their academic pursuits while experiencing a greater engagement in campus life.

Residents living in the residence halls are required to select and purchase a dining plan from a variety of dining plans offered. A dining plan is optional for apartment residents. Residents dine at the Hale Aloha or Gateway House cafeterias. Detailed dining plan information is available at our Student Housing Services website.

Applications received by the application deadline are prioritized by predetermined categories. The mission of Commuter Services is to maximize access to the UH Mānoa campus through a commitment to innovation, environmental sustainability, resource management, and quality customer service.

Students, faculty, and staff employ various modes of transportation to campus. Alternative options to driving alone include Honolulu’s bus system (TheBus), biking, walking, and carpooling.

Currently, full-time students (after paying their mandatory $40/semester Transportation Fee) qualify for a U-Pass, which allows them to ride TheBus at no cost 24/7 during the fall and spring semesters. The U-Pass sticker is affixed to the student’s ID and issued at the Ticket, Information, and ID Office in the Campus Center. UH Mānoa is served by bus routes 4, 6, 13, and 18, plus express routes A, 80A, 85, 85A, 90, and 94. Real-time bus schedules are available at www.thebus.org/Route/Routes.asp. For more information, call (808) 848-5555 or go to www.thebus.org.

The University’s Rainbow Shuttle system consists of multiple routes through campus and the neighboring vicinity, day and evening. This free service includes regular runs to and from residence halls, as well as adjacent neighborhoods, and off-campus parking locations. For shuttle schedules and route maps, get the app “UHM Shuttle” or go to www.uhmshuttle.com.

Bike parking on campus is also free–cyclists are reminded to lock their bike to one of the many authorized racks to avoid citation.

UH Mānoa’s car sharing program, a partnership with Enterprise Rent-A-Car, provides those commuting to or living on campus without a vehicle the option of a short-term car rental. Shared cars are conveniently parked at various locations around campus. Learn more about this low-cost, environmentally-friendly membership program at manoa.hawaii.edu/commuter/carshare.html.

If you plan to drive to Mānoa, a limited number of parking permits are available to UH Mānoa affiliates. Read more about the permit application process on our website. Apply for
regular day permits, as well as carpool (students only), evening, and medical permits. Visitors and students may also pay a daily fee to park, on a space-available basis, in designated locations, such as the Lower Campus Parking Structure. Motorcycles and mopeds must also have a paid permit to park in designated lots on campus.

Parking regulations are enforced 24 hours daily throughout the year. Vehicles in violation are subject to citation and/or towing. Please familiarize yourself with UH Mānoa parking regulations on our website; plus the campus policy governing bikes, skateboards, and other coasting devices at manoa.hawaii.edu/commuter/bike.html.

Commuter Services Office is open Monday through Friday, 7:45 a.m. to 4:30 p.m.; closed on holidays.

Mānoa Bookstore offers many affordable options for textbook purchases: new, used, rental, and/or digital books, when available. Books may be ordered online or by phone for at-home delivery or in-store pick-up. Prices of books in-store may also be compared with online retailers at www.bookstore.hawaii.edu/manoa. For students who wish to sell books they no longer need, the Bookstore hosts a textbook buyback session six times a year.

Because college is not all about books, Mānoa Bookstore carries general office and school supplies as well as a wide variety of art supplies recommended by academic instructors. In addition, the Bookstore offers convenience items, snacks and beverages, health and beauty aids, greeting cards, alumni accessories, and small gifts. When it’s time to graduate, students shop for their caps and gowns, commencement announcements, and diploma frames in Mānoa Bookstore’s supplies department.

For new computer, laptop, or tablet purchases, ask about the Bookstore’s educational pricing for UH Mānoa students, faculty, and staff (valid UH ID or current registration required). Mānoa Bookstore is an Adobe software seller, Dell University retailer, and an Apple Authorized Campus Store with Apple-certified technicians. It also offers a Trade-in program for UH students, faculty, and staff to sell back working or defective laptops, MP3 players, cell phones, tablets, iPads, and MacBooks for Bookstore credit. Or, if a device has no value, the Bookstore will recycle it at no cost. UH alumni are also now eligible for education pricing on Apple products as well as in-store repair and services, as well as the trade-in program. The computer department also carries headphones, laptop cases, portable speakers, adapters, and other tech accessories.

For document services, see the Bookstore’s Campus Solutions, conveniently located next to the Customer Service counter. Campus Solutions is a one-stop shop for affordable copying and printing on campus. Campus Solutions also handles document finishing, faxing, scanning, and laminating services for students, staff, and visitors. Campus Solutions can also print large-sized posters and vinyl banners, up to 12-feet long, as well as vinyl decals. Finishing services also include grommets and poster board-mounting capabilities. The challenges of choosing the right career, achieving or maintaining one’s independence, relating successfully to others, and leading a happy and successful life converge during a student’s college years. College life adds the concerns of exams, term papers, quizzes, and class reports. Even students who are prepared to do their best in college may experience problems. The Counseling and Student Development Center (CSDC) provides the following services to assist students.
Career Counseling

Students should choose their majors before they progress very far in their academic programs. Most students expect their academic studies to lead to specific careers upon graduation. Career counseling explores strengths and limitations, interests and values, personality and skills, and applies this understanding to developing academic and occupational plans. (See also “Mānoa Career Center.”)

Personal Counseling

Some people occasionally, even regularly, feel worried, unhappy, and depressed. Lack of confidence, fear, low self-esteem, inability to get along with others, loneliness, not being able to cope with people and situations, and similar problems can be discussed with one of CSDC’s professional counselors. All matters discussed in counseling are confidential and will not affect academic standing.

Psychiatric Consultation

People who find themselves seriously depressed, unable to control their behavior, or doing things they don’t understand may want and need psychiatric consultations. A talk with a counselor is required to determine whether psychiatric consultation is needed.

Testing

Testing is frequently used as part of counseling to help students understand themselves better and plan their careers. Counselors will discuss which tests to take and interpret them after they are scored. In addition, the Testing Office administers computer-based exams such as GRE, TOEFL, PRAXIS, and MCAT. To schedule an exam, go to the respective exam’s website, such as www.ets.org and www.aamc.org/students/applying/mcat/. There are also some paper-based exams, such as LSAT and MPRE, that are administered by the Testing Office.

Outreach

Workshops and seminars to promote personal development and academic success are offered throughout the year. Stress management, assertiveness, improving self-esteem, career and life planning, and coping with difficult people are just a few of the topics that are available. Sessions to address specific needs can be developed and conducted at the request of faculty or a group of students.

Consultation

CSDC provides consultation services for individual students, faculty, and groups that may need help in solving organizational problems, overcoming interpersonal difficulties, and planning staff development programs.
