Transfer Credits Policy and Procedures
Please refer to the UH Mānoa Policy for Transfer Credits. Access: manoa.hawaii.edu/admissions/policies.html#mini-three.

Definition: Transfer credits are credits received for previous language courses completed at another institute of higher education that articulate with UH Mānoa language courses. Transfer credits accepted for language courses completed at another institution of higher education are not eligible for back credits.

Eligibility: Majors and non-majors may request an evaluation of their Hawaiian language transfer credits, however, the request cannot be formally processed and approved until a student has been admitted to a program leading to a degree and has confirmed their intention to enroll.

1. Students shall submit to Kawainuaua’ani’s academic advisor:
   (a) a completed “Request for Evaluation of Transfer Credits” form available at the Office of Admissions; as well as (b) supporting documents for each course requesting to be evaluated (include syllabus, course description, final product/assignment, and textbook(s)/reading(s) used). If supporting documents are not available, the Kawainuaua’ani Curriculum Committee may request a short interview with students to assess their Hawaiian language proficiency and to ask them about the courses in question (what was learned, what did you do, etc.).

   2. The advisor will review the transfer credit petition to assure all required forms and supporting documents (listed above) are included and will check and printout the student’s transcript on STAR.

   3. The advisor will then send the entire transfer credit petition (forms, documents, and transcript) to Kawainuaua’ani’s Curriculum Committee for review and decision-making on a case-by-case basis. The Curriculum Committee is encouraged to include faculty with specific expertise when needed. The committee will review requests twice a semester, or as needed.

4. Possible outcomes of the committee review may include:
   a. the outside course has already been articulated with UH Mānoa, so the credits will transfer and count as the articulated HAW course;
   b. the outside course is deemed equivalent to a HAW course even though it has not been officially articulated, so the credits will transfer and count as the equivalent HAW course;
   c. UH Mānoa does not have an equivalent course, but

   Dual Master’s Degree Program
Students may pursue a Master’s in Hawaiian and a second master’s concurrently in Library and Information Science. Students enrolled in either program may apply for admission in the other degree program. The dual master’s option allows sharing of many elective courses. For more information, contact the HAW graduate chair or a LIS advisor.

Credits for Previous Hawaiian Language Experience

Back Credits Policy & Procedures
Please refer to the Hawaiian and Second Language Policy on Back Credits available in the “General Education” section of the Catalog.

Definition: Back credits are credits received for previous language experience that do not qualify as transfer credits.

Eligibility: All students (including native speakers of a language and non-UH System students) with experience in Hawaiian language may be eligible to earn 3 to 16 back credits.

One Language: Back credits may be earned for ONLY ONE language and will be based on the first instance of taking a course for a letter grade in that language at UH Mānoa. A repeated or backtrack course is NOT eligible for back credits.

Students who wish to earn back credits for Hawaiian language shall:

1. Make arrangements with Kawainuaua’ani’s academic advisor to take the Hawaiian language placement exam.
2. Complete the Hawaiian language placement exam in order to determine the appropriate level HAW course for the student.
3. Enroll (for letter grade) in the Hawaiian language course that the student was placed into after completing the Hawaiian language placement exam.
committee finds the outside course valuable and in line with the scope/mission of the program/degree, so the credits will transfer and count for an HAW upper-division elective; or
d. the outside course is not equivalent to an existing HAW course and does not align with the scope/mission of the program/degree so credits will not be counted towards any HAW course.
5. Final decisions of the Curriculum Committee will be communicated to the director and academic advisor, who will notify the student of the decision and guide them with finalizing the transfer credits process.

Native Hawaiian Student Services (NHSS) prepares Hawaiian students to build upon a legacy of excellence, with creativity and confidence, in order to fulfill the kuleana of their time, thereby leading Hawai‘i into a thriving, life affirming, de-occupied future. Our programs are designed to improve institutional access, student-faculty engagement, research, leadership, and success, by fostering Hawaiian identities and cultivating Hawaiian scholarship.

NHSS maintains two student Resource Centers at UH Mānoa. The two spaces provide similar services and programs for our students to come to value and enjoy: academic and wellness counseling; math, writing and Hawaiian language tutoring; PC and Mac computer and printing access; Promethean Smart Board technology; launa (socialize, relax) and meeting space; programs and services referrals; academic enrichment, career development and technology workshops; cultural and community engagement opportunities. Our Student Resource Centers continue to serve Native Hawaiians on campus with resources that connect them to one another.
